Skill Building & Employability Development

Our core passion out of the entire range of our business areas is the Skill Building & Professional Development Services. In today's VUCA world, DY LIS helps the "Young Minds" to train on the skills that are the most required for getting a job and then write a suitable growth story.

We focus most on bridging the gap between CAMPUS and the CORPORATE and make the student employable and at the same time helping the corporates indirectly in getting a better and quicker ROI.

Because Developed Resources build Developed Nations

Skill Building & Employability Development (Contd.)

At DY LIS, we have carefully researched the various surveys and studies like: *The skill India Report, The Jharkhand Skill Report, The LinkedIn Talent Survey Report, KPMG Reports* etc. and meticulously identify the “REAL GAPS” in the skill levels of the students and professionals that keep them away from getting a good employment opportunity to grow in their career.

Focus on “Bridging the GAPS” and not Just Teaching the “Syllabus”

Skill Building & Employability Development (Contd.)

Services Offered:
